KERNSVILLE DAM RECREATION AREA

The Kernsville Dam Recreation Area encompasses approximately 252 acres and approximately 2 miles of the Schuylkill River which has been designated as a "Scenic River" by the Commonwealth of Pennsylvania.

The Kernsville Dam Recreation Area includes:

- 183 acres in Tilden Township (72.6% of the Area)
- 44 acres in the Borough of Hamburg (17.5% of the Area)
- 18 acres in Windsor Township (7.1% of the Area)
- 7 acres in West Brunswick Township (2.8% of the Area)

KERNSVILLE DAM RECREATION AREA

The Kernsville Dam Recreation Area can be divided into several distinctly different areas:
The Desilting Basin

2015 PROJECT IMAGES

Fall Clean-Up October 17th

Don Shilke Trail Construction October 17th

2015 PROJECT IMAGES

Let's Go Camping With Cabela's May 9th

2015 PROJECT IMAGES

Community Event Participation

Hamburg Arts and Crafts Festival May 16th

Bear Creek Festival May 17th

Get Outdoors Day June 13th

KERNSVILLE RECREATION DAM AREA

Desilting Basin

Cabela's Wetland Mitigation Project located in the northwest corner of the desilting basin

The Therman Madeira Switchback Trail is located on the outside perimeter of the desilting basin wall along its north, east and south sides

KERNSVILLE DAM RECREATION AREA

Area Below the Dam

Area consists predominantly of lowlands and wetlands covered by mature hardwood forests
Two major islands are present in the Schuylkill River
A canoe portage and access point are located in the area below the dam on the western shore

2015 PROJECT IMAGES

Earth Day Clean-Up April 18th

Summer Invasive Species Walk July 18th

2015 PROJECT IMAGES

Spring Invasive Species Walk April 4th

Earth Day Clean-Up April 18th

KERNSVILLE DAM RECREATION AREA

Area Above the Dam

The lower half of the area above the dam is accessed from Industrial Drive by Kernsville Dam Road
 The area near the dam provides an existing parking lot and fishing opportunities
 At the terminus of Kernsville Dam Road is an existing parking lot, picnic area and popular fishing spot

KERNSVILLE RECREATION DAM AREA

Northeast Shore of the Schuylkill River

The northeast shore is a popular public access point to the Schuylkill River
 The Appalachian Trail crosses a portion of the area between Port Clinton Avenue and PA Route 61
 The northeast shore boasts a river beachfront

2015 OFFICERS AND DIRECTORS

Neven Dries Director 2013-2015

Neven is a local amateur photographer specializing in landscapes, nature and architecture. He has worked at Deka Batteries for the last 20 years. He has a love of the outdoors. "Blue Mountain Wildlife has shown me a way to help and encourage others to enjoy this fabulous area we call the Kerny."

Dennis Henne Director 2015-2017

Dennis has been a member of Blue Mountain Wildlife since 2002. He has been a Hamburg resident since 1985 and is an avid outdoorsman and conservationist. His interests include railroad and canal history.

Kerry Grim Director 2014-2015

Kerry is a resident of Hamburg and an avid photographer. He is filling Mary Jo McCormick's uncompleted term as Director.

Harry S. Nelson Director 2013-2015

Harry is currently a resident of Upper Tulpehocken Township and has been a resident of the area since 1959. He is a member of the Berks County Planning Commission and the Chairman of the Berks County Open Space and Recreation Advisory Council.

James Turner Director 2014-2016

Jim is a resident and Township Supervisor of West Brunswick Township.

2015 Financial Statement

Total Assets January 1, 2015	\$12,562.00
Total Liabilities January 1, 2015	\$0.00
Gifts and Contributions received	\$1,105.00
Membership received	\$2,070.00
Interest	\$0.00
Income from fund raisers/banquet, etc.	\$7,150.00
Total 2015 revenue	\$10,325.00
Special Project Expenses	\$8,629.00
General Expenses (includes, advertising, office expense, donations, insurance, postage/shipping and printing)	\$4,098.00
Total 2015 expenses	\$12,727.00
Total assets December 31, 2015	\$10,160.00
Total liabilities December 31, 2015	\$0.00

All financial records are on file with the Treasurer of Blue Mountain Wildlife Incorporated and are available for review upon request.

2015 Membership Statement

As of January 1, 2015: 118
Including: 6 Corporate, 1 Donation, 63 Family, 16 Lifetime, 8 Senior, 24 Single, 0 Student

As of December 31, 2015: 124
Including: 7 Corporate, 1 Donation, 65 Family, 16 Lifetime, 9 Senior, 26 Single, 0 Student

All membership records are on file with the Secretary of Blue Mountain Wildlife Incorporated and are available for review upon request.

KERNSVILLE RECREATION DAM AREA

The Bartram Trail linking Hamburg and Port Clinton

The trailhead at Hamburg is in excellent condition and allows convenient access. The Bartram Trail follows an elevated section of the Pennsylvania Railroad right-of-way through much of the Kernsville Dam area allowing many scenic views of the surrounding countryside.

BLUE MOUNTAIN WILDLIFE INCORPORATED HISTORY

State senior Alex Sung, Hamburg High School students Corey Furhman and Nick Meyers, and "Community Explosion" volunteers of Blue Mountain Academy and the Bridge Church.

Two Thousand Eleven saw some ups and downs. Blue Mountain Wildlife was challenged by a number of thefts, acts of vandalism, and repeated flooding throughout the year. Tilden Township donated a day's worth of labor and equipment to the maintenance of Kernsville Dam Road. BMW and Schuylkill River Heritage Area hosted a ribbon-cutting ceremony, officially opening the two miles of Schuylkill River Trail between Hamburg and the Bartram Trail. BMW celebrated its tenth anniversary with a party at the Monument Parking Lot, which drew over two hundred people. The Northern Berks QUAD Games were put on hold for retooling but the Dutch Country Bicycle Races were held on July 30th. Other projects included: the Annual Membership Banquet; a cold and wet Earth Day Clean-Up; a warm and sunny Environmental Education Day; flood-damage repairs to the Therman Madeira Switchback in May and September; the completion of the second outdoor classroom by Eagle Scout candidate Danny Capitelli; more road repairs by the Bridge Church "Community Explosion" volunteers and the Tilden Township road crew; a tree planting in the Cabela's Wetland; and volunteer service by Alex Hartman. BMW also participated in Hamburg ThawFest, Central Berks Community Day Fair, Bear Creek Festival, and the Taste of Hamburg-er Festival.

Two Thousand Twelve saw a number of small projects come to fruition. Funding from a "Trails Town" grant allowed BMW to move forward with a pair of signage projects. In late summer, Bridge Church Community Explosions helped fill more potholes in Kernsville Dam Road. Finally, the installation of the raptor nesting pole capped the year-long planning and fabrication effort. The Northern Berks QUAD Games returned to draw 257 participants and a new race, the Dine & Dash, was introduced at the Taste of Hamburg-er Festival. Berks County Conservation District honored BMW with their Conservation Group of the Year. BMW participated in a record number of community events in 2012: the Annual Banquet, ThawFest and Earth Day Clean-Up; Central Berks Community Day, Bear Creek Festival and Environmental Education Day; and Get Outside Day and Tilden Township's 125 Anniversary.

Two Thousand Thirteen witnessed the completion of a number of smaller projects. In April, a permanent gate was installed at the Upper Parking Lot. Work crews installed trail signage. Repair work on the Kernsville Dam Road continued, with work by BMW volunteers, the Tilden Township Road Crew and Bridge Church Community Explosion volunteers. The Northern Berks QUAD Games returned to draw 188 participants and the Taste of Hamburg-er Festival Dine & Dash Burgers & Trails Race returned for a second successful run. The Basin hosted a "Walking With Dragonflies" tour and BMW's Pat Adams led a tour of "The Moving of the Schuylkill River". Eagle Scout Candidate Charlie Cravotta constructed and installed two bat boxes. BMW participated in a record number of community events in 2013: the Annual Banquet, the Earth Day Clean-Up, Central Berks Community Day, Bear Creek Festival, Environmental Education Day, Fun In The Sun Day, Get Outside Day and Let's Go Camping With Cabela's Day.

Two Thousand Fourteen saw the end of an old tradition and the beginning of some new. On April 12th, BMW joined the Schuylkill Headwaters Association to clean up the beach across from "The Rock". On May 3rd, BMW and the Tilden EAC coordinated an Electronics Recycle Day at the Tilden Municipal Building. Two "Owl Prowls" were held at the Kerny in 2014, one on June 20th and one on October 3rd. And on September 14th, BMW presented a history of the Schuylkill River as part of the Andulehea Concert presented by the St. John's Church in Hamburg. The Kerny hosted "Let's Go Camping with Cabela's" Day on May 31st, drawing over 300 people. Repair work on the Kernsville Dam Road continued, with work by BMW volunteers, the Tilden Township Road Crew and Bridge Church Community Explosion volunteers on four days in August and September. The final Northern Berks QUAD Games drew 257 participants and the Taste of Hamburg-er Festival Dine & Dash Burgers & Trails Race drew almost forty participants during its third annual run. The Basin hosted another "Walking With Dragonflies" tour in August. BMW participated in: the Annual Banquet in January; three Earth Day Clean-Ups in April; Tilden Recycle Day, Central Berks Community Day, Bear Creek Festival, and "Let's Go Camping" Day in May; and Environmental Education Day and "Get Outdoors" Day in June.

BLUE MOUNTAIN WILDLIFE INCORPORATED LONG-TERM PLANS AND GOALS

2009 Kernsville Dam Recreation Area Open Space Plan

- ✿ Pursue a long-term cooperative agreement with Tilden Township, Berks County and the Schuylkill River Heritage Area for the preservation of the natural and historic Kernsville Dam Recreation Area.
- ✿ Involve youth groups such as Scouts and school Wilderness Clubs in habitat improvement projects and environmental education.
- ✿ Involve and coordinate the various public and private agencies and organizations, particularly at the local level, that could provide assistance with the above-stated goals.
- ✿ Promote compatible forms of passive recreation.

Note: All proposed improvements are subject to approval by Bureau of Abandoned Mine Reclamation. Any improvements proposed on land beyond that of the lease agreement will require permission and approval of the controlling interests.

BLUE MOUNTAIN WILDLIFE INCORPORATED HISTORY

The roots of Blue Mountain Wildlife, Incorporated, go back to the early 1980's. Mr. Ron Cassler founded Hamburg Ecology Life Patrol (H.E.L.P.), which cleaned up the Kernsville Dam area, rebuilt the restrooms, and maintained trash removal and grass mowing on a weekly basis. H.E.L.P. relied upon limited funding and volunteer labor provided by its members. H.E.L.P. was active throughout the 1980's and early 1990's and several members are active participants in Blue Mountain Wildlife today.

In November, 2000, the first series of public meetings presenting plans for intensive development of recreational facilities in the Kernsville Dam area brought together a group of concerned citizens to form the "Friends of the Kernsville Dam". Throughout the series of public meetings the "Friends of the Kernsville Dam" offered several pre-existing alternative sites for recreational facilities as possible ecological solutions. None of these were incorporated into the proposed plans. The "Friends of the Kernsville Dam" circulated a petition in opposition to the proposed plans. Approximately 1,300 signatures were collected. The "Friends of the Kernsville Dam" approached nearby municipalities with the petition to solicit support in opposition of the proposed plan.

On June 29, 2001, the "Friends of the Kernsville Dam" officially incorporated as "Blue Mountain Wildlife, Incorporated" to help solidify existing support to preserve the wild area around the Kernsville Dam and develop alternative locations for recreational facilities throughout northern Berks County. Blue Mountain Wildlife consulted with and received support from nearby property owners and businesses to develop an alternative plan. The Reading, Blue Mountain, and Northern Railroad Company became a corporate sponsor. On October 10, 2001, Blue Mountain Wildlife presented its plan for the preservation of the Kernsville Dam area to various agencies and organizations. Our plan was well received by the local municipalities and by the Pennsylvania Department of Environmental Protection's Bureau of Abandoned Mine Reclamation, the state agency that administers the Kernsville Dam area.

In March 2002, Blue Mountain Wildlife Incorporated applied for and was granted probationary 501(c)(3) non-profit organization status. BMW representatives attended the Hamburg Hunting and Fishing Expo, the Schuylkill Watershed Congress, Hamburg Sidewalk Sale and Hamburg Heritage Days. Major events included the Earth Day Clean-Up and participation in the Schuylkill Sojourn. Blue Mountain Wildlife also devoted much time and effort in negotiating with Northern Berks Recreation Council and other organizations to provide acceptable solutions to the issues of preserving the Kernsville Dam area while providing additional active recreation facilities in Northern Berks County.

Two Thousand Three saw Blue Mountain Wildlife's first major fundraising event—the Spring Rail Ramble sponsored by the Reading, Blue Mountain and Northern Railroad. Blue Mountain Wildlife representatives attended the Hamburg Hunting and Fishing Expo, the Bear Creek Festival, the Northkill Watershed Meeting and Hamburg Heritage Day. Major events included the Earth Day Clean-Up, Tilden Elementary School's Field Day activities and participation in the Schuylkill Sojourn. Blue Mountain Wildlife was granted a lease for the area from Pennsylvania Department of Environmental Protection's Bureau of Abandoned Mine Reclamation. Blue Mountain Wildlife applied for and later received a \$25,000 grant from the Berks County Open Space and Recreation Commission. The grant required 50% matching funds which was to be met through fund-raising, donations and in-kind services. Blue Mountain Wildlife also launched a new website, www.BlueMountainWildlife.com.

Two Thousand Four saw the completion of Blue Mountain Wildlife's biggest project to date—the construction of the one-mile Therman Madeira Switchback Trail. The project was completed with the funding from the Berks County Open Space and Recreation Grant secured in the previous year and matching funds from donations of money, materials and time from the organization's many supporters. The second major project of the year, the construction of the Butterfly Garden, began in the spring. The Pennsylvania Fish and Boat Commission took up Blue Mountain Wildlife's request to establish a "No Wake" zone on the Kernsville Dam. Blue Mountain Wildlife took the bold step of declaring the desilting basin a "Wildlife Propagation Area", prohibiting hunting and other disruptive activities. Blue Mountain Wildlife representatives attended the Hamburg Hunting and Fishing Expo. Major events included the Earth Day Clean-Up, participation in the Schuylkill Sojourn, the Helping Wheels Unincorporated tour of the Therman Madeira Switchback and participation in Hamburg Heritage Day.

BLUE MOUNTAIN WILDLIFE INCORPORATED HISTORY

Two Thousand Five saw the establishment of a number of Blue Mountain Wildlife "annual traditions". The first was the Annual Membership Meeting and Banquet. The second was an expansion of the Earth Day activities beyond the Clean-Up, which included trail; work, a bird walk and a raptor presentation. The third was the first of many fund-raising races. A 5K Fun Run/Walk was held at the Monument and a 5K/10K Run was held in conjunction with Hamburg Heritage Day. Other major events included selling Kerny Monster Burgers in the Taste of Hamburg-er Festival and selling ice cream and hosting historical tours of the Kernsville Dam area during Hamburg Heritage Day.

Two Thousand Six saw three major projects come to fruition. The Cabela's Wetland Mitigation project, approximately one-half acre of new wetlands and one-third mile of new trail, were constructed in the desilting basin north of the Monument. Environmental Education Day brought 120 5th graders from Hamburg Elementary School to the Kernsville Dam area for a number of outdoor educational opportunities. The Northern Berks QUAD Games were inaugurated as the organization's primary fundraiser and brought in approximately 300 participants to the four races. Other events included the Second Annual Membership Banquet and the Earth Day/Outdoor Appreciation Weekend. Blue Mountain Wildlife completed its 501(c)(3) probationary period and its non-profit status was made permanent.

Two Thousand Seven saw the continuation of our successful projects. Environmental Education Day again brought 120 5th graders from Hamburg Elementary School to the Kernsville Dam area for a number of outdoor educational opportunities. The Northern Berks QUAD Games experienced its second year as the organization's primary fundraiser and brought in approximately 300 participants to the four races. BMW also set about updating its 2001 Open Space Plan and made presentations at the four surrounding municipalities inviting them to participate. Other events included the Third Annual Membership Banquet, the Kutztown Earth Day Celebration, the Earth Day Clean-Up, the Bear Creek Festival and the Pulpit Rock Beach Clean-Up. Scout projects included the KDRA sign by Austin Hartman and the Kernsville Monument beautification by Junior Girl Scout Troop 114.

Two Thousand Eight saw another set of projects begin. BMW secured two grants to top the Wetlands Trail and parts of the Therman Madeira Switchback as well as to construct a footbridge at the Industrial Drive pump station. Work on the Cabela's Wetlands continued. Construction was begun on an information kiosk at the Monument parking lot. An updated draft Open Space Plan was created and comments from all stakeholders solicited and collected. The BMW website was updated by KDS FX Design and BMW took over the domain name and the upkeep of the website. In its third year, the Northern Berks QUAD Games brought two races back to the KDRA and brought in approximately 280 participants to the four races. Other events included the Fourth Annual Membership Banquet, the Earth Day Clean-Up, the Bear Creek Festival and Environmental Education Day.

Two Thousand Nine saw the completion of the previous year's projects. The parking lot improvements included the completion of the informational kiosk and the installation of trash barrels. Additional sections of the Therman Madeira Switchback were topped, and the Donald Waldron Footbridge was completed and a dedication ceremony held. Eagle Scout candidate Kurt Kissinger constructed an outdoor classroom at the north end of the Cabela's Wetlands. Despite three wet races, the fourth annual Northern Berks QUAD Games brought in 236 participants. Inclement weather also caused the cancellation of the Annual Membership Banquet and forced the relocation of the expanded Environmental Education Day (now including Perry Elementary) to Tilden Elementary School. Other events included four Earth Day Cleanups, the Bear Creek Festival and Hamburg Community Days.

Two Thousand Ten saw the convergence of a number of favorable events. The worst portions of Kernsville Dam Road were milled and repaved, and the Bartram Trail Trailhead was milled, reconfigured and landscaped. Schuylkill River Heritage Area completed the topping of the Therman Madeira Switchback. Other items included: two Township-wide Clean-Ups; the 2010 Northern Berks QUAD Games, which brought in 245 participants; the construction of the Environmental and Historical GPS Trail by Eagle Scout Candidate Casey Schneck; the 2010 Annual Membership Meeting and Banquet; Environmental Education Day; participation in the Schuylkill Watershed Congress, Bear Creek Festival, Hamburg Community Day and the Hamburg Art Stroll; and community service volunteered by Penn
